

# Attendance and Participation

---

## *Rules for Mandatory Laboratory Courses*

- Late arrival (by 10 minutes) or early departure is an absence. So is also attending the laboratory session of another group without having permission.
- Absence due to illness or other legitimate cause must be reported by e-mail both to the course instructor **AND** the laboratory tutor.
- Absent or uncompleted laboratory sessions lead to uncompleted courses. To be able to attend the course in Molecular Biotechnology you must pass both Industrial Microbiology **AND** Molecular Biology.
